Assessment Scaffold: Business Report

Section & Purpose	Your report:
1. <u>Executive Summary:</u> *<u>Purpose</u>*: Provide an overview of the business and the main issues identified in the stimulus. Introduce the report's focus to the owner immediately ie. summarise (list) the recommendations.	
2. <u>Identification of Target Markets through Segmentation</u> *<u>Purpose:</u>* Break down the market and explain how Joe can find his consumers. Subheadings to include: ● Current Target Market Profile: Briefly state who Joe currently sells to ● Methods of Market Segmentation: ○ Define market segmentation. ○ Explain how Joe can use at least two specific methods to find new groups (choose from	

Demographic, Geographic, Psychographic, or Behavioural).	
3. <u>Financial Assessment: Short-Term vs. Long-Term Impacts</u> <u>*Purpose*</u>: Structure this section by time horizons and make a clear judgment (Assess) on whether the marketing strategy is financially viable. ● Key terminology to use: Cash Inflows, Cash Outflows, Revenue, Expenses, Net Profit, Liquidity, Profitability	
4. <u>Strategic Marketing Mix Recommendations</u> <u>*Purpose*</u>: Give Joe actionable advice. You must select two elements of the 4Ps and clearly justify why they will work. Subheadings to include (Select only two): ● Product Strategies ● Pricing Strategies	

• Promotion Strategies • Placement Strategies	
5. <u>Conclusion</u> *<u>Purpose</u>*: Summarize how the recommended marketing strategies successfully navigate the short- and long-term financial risks to secure Grind & Go's future. * Do not introduce any new information here. *Reiterate how matching segmentation to a smart marketing mix will safely achieve Joe's long-term financial growth goals.
